

EMERITUS APPLICATION ANNOUNCEMENT:

As you may be aware, Workers' Compensation Section bylaw changes which became effective in 2007 imposed term limits on service as a voting member of the Executive Council. The bylaws now permit and welcome those Workers' Compensation Section members who served on the Executive Council in the past for a cumulative period of 12 or more years, or who previously served as Chair of the Section, to apply for Emeritus (non-voting) member status.

The Executive Council welcomes and encourages those Sections members who are eligible for Emeritus status to apply by completing the application form below.
